Eaton Canyon Treatment Center is located at 3323 East Fairpoint in unincorporated Pasadena. In July, the Regional Planning Commission denied a Conditional Use Permit application (Project No. R2008-01555-(5) and CUP Case No. 200800131-(5) that proposed a 20-bed treatment facility. The applicant filed an appeal, which the Board of Supervisors is scheduled to consider at our meeting of October 26, 2010.

On October 12<sup>th</sup> the applicant submitted a letter to the Board of Supervisors requesting a continuance of their appeal to the Board's public hearing date in January of 2011. The applicant's letter identifies a proposal to reduce the proposal from 20 beds to 14 beds, and requests additional time to conduct additional outreach with the local community.

I, THEREFORE, MOVE that the Board of Supervisors continue without discussion the appeal hearing for the Eaton Canyon Treatment Center from October 26, 2010 to January 25, 2011, and direct the Director of Regional Planning to notify the applicant and all interested parties of this continuance.
